RE: Mancini v. United States of America  
20-cv-2532 (ECT/DTS)

Dear Judge, Schultz, and Mr. Fuller, Mr. Draisey,

On October 24, 2022 I received the Governments 10/21/2022 letter asking for cooperation in extending all scheduling order dates, which I agreed and signed letter to the court, I then received the Governments opposition Motion to Plaintiffs Motion to compel dates 10/26/2022.

had I known the Government would oppose and previously asked to leave the November 28TH date for written discovery in place, I would not have agreed. I would like to rescind my agreement for the 11/28/2022 discovery deadline since the government is in opposition to the Rule 30. deposition.

Respectfully,

Mario Mancini
